THE FATWA AS AN ISLAMIC LEGAL INSTRUMENT: CONCEPT, HISTORICAL ROLE, CONTEMPORARY RELEVANCE (3 VOLS)

One of the most misunderstood aspects of Islamic legal practice and thought is the role and position of fatwas or legal opinions.

This three-volume reference work offers a comprehensive overview of and detailed insights into

- the concept of the fatwa as a vehicle of legal opinion-making in Islam
- its historical role in different parts of the Muslim world
- and contemporary debates reflecting both the fatwa's enduring relevance and its ongoing contestation among Muslims today.

**WAHHABISM - DOCTRINE AND DEVELOPMENT (2 VOLS)
(CRITICAL SURVEYS IN ISLAMIC DENOMINATIONS SERIES)**

Saudi Arabian Wahhabism is the ultra-puritanical form of Sunni Islam which has been adopted by Islamist radicals, Salafists, and jihadists to legitimize and spread their extremist agenda.

The scholarly articles in these two volumes throw fresh light on this messianic radicalism by tracing its origins in the 18th century up to its present role as the authoritative interpretation of Islam in the strategically vital Kingdom of Saudi Arabia.

- **Volume 1** focuses on the main tenets of Wahhabi doctrine that brought about the Wahhabi community as a group clearly distinguishable from other interpretations of Islam at the eve of modernity, and which are responsible for its essentially exclusive character as well as the militancy ascribed to it with regard to other Muslims.

- **Volume 2** covers the development of Wahhabism in the peculiar socio-political conditions it sprang from, particularly its symbiosis with the Saudi ruling house, the structures and institutions it brought forth and its efforts to react to the challenges of a changing society.

THE CALIPHATE AND ISLAMIC STATEHOOD - FORMATION, FRAGMENTATION AND MODERN INTERPRETATIONS (3 VOLS SET)

Although the Caliphate was formally abolished ninety years ago, it had already ceased to exist as a unitary and effectively administered political institution many centuries earlier. The ever widening gap between political ideal and historical reality is also reflected in the varying conceptualizations and theories of the Caliphate developed by Islamic religious scholars and Muslim intellectuals past and present. However, recent events in the Islamic world show that the idea of a Caliphate still appeals to Muslims of varying persuasions.

This three-volume reference work tracks the history of the Caliphate as what many Muslims believe to be a genuine and authentic Islamic political institution: From its emergence in seventh-century Arabia until highly contested and controversial attempts of its revival at the beginning of the twenty-first century by radical Islamists in Afghanistan and Iraq. No matter how grandiose such interpretations of a seemingly archaic institution may be, they show the Caliphate's longevity as a rallying point - real or symbolic - for Muslims across the world.

- **Volume 1** Origins and Formation
- **Volume 2** Challenges and Fragmentation
- **Volume 3** Modern and Contemporary Interpretations

**THE GULF REGION: ECONOMIC DEVELOPMENT & DIVERSIFICATION.
(4 VOLS SET)**

The four volumes in this major research collection address the key economic issues which affect the future development and diversification of the member states of the Gulf Cooperation Council (GCC), namely Saudi Arabia, Kuwait, Bahrain, Qatar, UAE and Oman. Specifically, this recent research covers Economic Diversification, Development of Global Partnerships, Labor Markets and Migration, and Financial Markets as Global Players. The work brings together state-of-the-art analysis by some 40 international scholars who participated in a major joint initiative by the EU and the GCC, the al-Jisr Gulf-Europe Research Program.

This collection will prove an essential reference work for policy makers and scholars on all the critical issues facing the Gulf countries as their economies develop beyond dependence on the oil and gas sector and forge new international alliances.
